We need to obtain hard copies for our administrative record. If you don't have copies, we can ask the library to obtain them.

Hi Jayne, thanks for highlighting the references I need to look into. I reviewed them and it looks like they're copyrighted, so can't be PDFed. Can we note that in the admin documents? I don't think we want to take out references just because we can't PDF them. Other ideas?

Hi Jenny & Alan,

Tetra Tech is trying to locate several references. I highlighted the ones pertaining to pesticides in blue and the one for you Alan in green. Will call to explain....
